FOREWORD

With the completion of our high school education, we close a chapter in our lives. We are ready to commence adult life. Some of us will go on to college, some into industry, and others into the business world.

To keep our high school achievements and memories not too far away, we proudly present the Cumberlander—a record of the school year 1949-1950.

J. F. GWYNNE,
Secretary

FRANK HUSTON,
Treasurer

On behalf of the Board of Education I wish to thank the Cumberlander Staff for the use of this space in the school annual.

We urge a continuance of the splendid spirit of unity and harmony which has prevailed throughout the past year. If this is maintained, we can look forward to further advances in all curricular and extra curricular activities.

ADMINISTRATORS

MR. VENEN
Principal

The school year of 1949-50—which marks the 25th year of my association with Cumberland High School—has been most gratifying. To the class of 1950 I wish to extend my congratulations for your achievements both as individuals and as a class. I also wish to express to each student, teacher, and board member, my appreciation for a fine spirit of co-operation.

To each of you, I extend my sincere best wishes.

CONGRATULATIONS

The Cumberlander Staff, on behalf of the student body and the faculty, wish to congratulate Mr. Venen on the successful completion of twenty-five years of service in Cumberland Township High School. It is our sincere hope that he may have many more fruitful and satisfying years in his profession.

The foundation of each and every community is the education of its youth. Therefore, it is our sincere hope that both the community and the Class of 1950 have benefited by these four years of high school experience.

SENIOR CLASS HISTORY

ALWAYS FORWARD, NEVER BACKWARD

With the approach of commencement we, the Class of 1950, prepare to leave forever the familiar halls of C. T. H. S. It is a time we anxiously and perhaps impatiently awaited. But now that there is so little of our senior year left, we experience not only the customary excitement and joy, but also a slight undercurrent of sadness.

We entered C. T. H. S. in 1946 as perhaps the "greenest" freshies that ever invaded the school. And, of course, the upperclassmen took full advantage of this fact and a day was set aside for the sole purpose of initiating the already bewildered freshmen. However, it wasn't too long before we became accustomed to the routine of things and settled down to become one of the best freshmen class (so we thought) Cumberland ever had. We participated in the election of class officers and chose as our president, Anna Kartley; vice president, Samuel Warrick; secretary, Jeanne McLaughlin; and treasurer, George Zubal.

As sophomores, our presence was being felt in such organizations as band, chorus, and the various clubs. In sports, Fred Novak and Steve Korcheck made the varsity basketball team. To lead our class that year we chose Angelo Valli as president, Jo Ann McCann as vice president, Isabelle O'Laughlin as secretary, and Dolores Stedinsky as treasurer.

In our junior year we really began to feel our importance in Cumberland, for now we shared with the seniors the title of "upperclassmen." We sponsored one of the biggest social events of the year—the Cinderella Ball. With the gym gayly decorated in our class colors, blue and white, and with the music being provided by the wonderful orchestra of Richie Lewis, what else could it be but a terrific success? We also held a very successful skating party at Fern Cliff. The capable officers that year were Steve Korcheck, president; Maurice Black, vice president; Isabelle O'Laughlin, secretary, and Anna Kartley, treasurer.

Our last year—without a doubt the best year of all—began with the all important event of electing class officers. Election results were: President, Maurice Black; Vice President, Joe Lapsevich; Treasurer, Isabelle O'Laughlin; Secretary, Cecilia Billick. We then launched into the whirlwind of activities that mark a senior year. Name cards were ordered, production of the Cumberlander was begun, and a senior committee was chosen.

The football team won the title of Greene County Champions, and we were proud when George Zubal, Edward Shifko, and Fred Novak of the Class of 1950 made the Greene County first team. Proud too, were we of Ernest Krutko, Wilfred Kotouch, Maurice Black, John Medunic, and Tony Cerqueira, the other senior members of the team. We were well represented in basketball, baseball, and track.

An important social event scheduled on the C. T. H. S. calendar was a Valentine Dance sponsored by our senior class in February. Highlighting the affair was the crowning of the King and Queen of Hearts.

Finally senior prom time arrived, a forerunner to Baccalaureate, Commencement, and goodbye to C. T. H. S., our classmates, and teachers. It has been a grand memory packed four years for each one of us. To those who come after us we wish success, joy, and happy years at Cumberland.

PROPHECY

You are, no doubt, familiar with the old adage "Coming events cast their shadows before." Keeping this thought in mind I have made it my policy to observe the personalities and potentialities of you, my fellow students, during our four years together. Thus, you will find that I am in a position to forecast, more or less correctly, what the future holds in store for you. Let it be understood that I am not professing to be a true prophet and the following forecasts should be taken as you see fit.

MAY 31, 1960

JUNIOR CLASS HISTORY

HE CAN WHO THINKS HE CAN

As swiftly as leaves fall from trees in autumn, so our years at dear old CTHS pass. We began our "Greenie" year in the fall of 1947. That year as leaders we chose: President, R. Palone; Vice President, P. Krutko; secretary, B. Whipkey, and Treasurer, N. Headley. Our representatives on the Student Council were: L. Butler, M. J. Roman, and W. Mioranzi. Other than Freshman Customs, our class activities were limited to sponsoring a sweatethop and participating in sports.

Suddenly finding ourselves sophisticated sophomores, we elected F. Novak, president; P. Krutko, vice president; J. Luxner, secretary; J. Davidson, treasurer. To represent us on Student Council we sent L. Butler, B. Glover, S. Mondichak and F. Urbany.

Now we are just one year from the "dignified senior" stage. As Juniors we chose for officers: President, V. Johnson; Vice President, G. Herbik; Secretary, R. Carroll; and Treasurer, W. Hathaway. Along with the officers six other people were chosen to make up the Standing Committee. They were L. Butler, B. Glover V. Huntley, D. Zoldos, R. Popson, and D. Haver. This year our big event was the Cinderella Ball. Music was furnished by Jimmy Rye and orchestra. The hall was gaily decorated in green and yellow to pay homage to Cinderella Josephine Prebonich and Prince Charming George Herbik. This year we also had some outstanding athletes such as S. Mondichak, F. Novak, E. Szyoka, G. Herbik, P. Krutko, R. Grey, J. Moore, and B. Bruce. We are anxiously looking forward to our term as seniors.

And to the seniors of 1950 we give our congratulations and our wish for luck and success on their journey through life.

SOPHOMORE CLASS HISTORY

ONE FOR ALL AND ALL FOR ONE

In September, 1948, many confused and slightly bewildered Freshmen could be seen roaming the halls of C. T. H. S. Our undertaking was to acquaint ourselves with this strange building, these interesting people, and become a familiar part of the school. We elected officers: Frank Yalowsky, president; Bessie Lutes, vice president; John O'Laughlin, secretary; Josephine Medunic, treasurer. Student Council representatives were: George Belan, Charles Grimm, Dorothy McFarlane, and Rose Wielkiewicz.

By the time September, 1949, rolled around we had changed in many ways. Our Freshie timidity and uncertainty was replaced by a friendly Sophomore dignity and determination. We chose for our officers this year: Vincent Markiewich, president; Robert A. Cutler, vice president; Rose Wielkiewicz, secretary; Gerald Burkholder, treasurer. Student Council representatives were: Dolores Hathaway, George Tressler, Leonard Olchesky, and Jean Ewart.

We have become active in clubs and sports. The sophomore boys honored at the football celebration were: J. Lucas, L. Glad, V. Markiewich, M. Smoody, C. Grimm, F. Yalowsky, T. Davidson, R. A. Cutler, W. Mansell, E. McMinn, J. Bankovich, R. B. Cutler, L. Olchesky, S. Jordan, and J. O'Laughlin.

To the senior graduates we forward our best wishes and hope that their future will be a successful and happy one.

FRESHMAN CLASS HISTORY

IN UNITY THERE IS STRENGTH

At last September 6, 1949, arrived and with it the Freshies at CTHS. As we entered the building for the first time we felt excited, curious, and just a little frightened—excited as to what new classmates we would meet; curious as to whom our new teachers and friends would be: frightened as to whether we would be able to make the grade. The many corridors and rooms of the strange building overwhelmed us. Soon, however, we began to feel at home. As we sat cheering at the first football game we suddenly realized that this was our school and we belonged here, especially since Thomas Buday, a member of our class, was considered good enough to be a football letterman.

With the election of Noel Ralston, Kenneth Brown, Lucille Valli, and Harold Hartley to represent us on the Student Council, we felt proud that we were beginning to have a real part in the school activities. We did not feel so proud the day we were asked to parade in the public square with the girls wearing men's workshoes and socks, men's trousers, wrong side out and backwards, a sloppy jersey, a necktie, fifteen pigtails with a ribbon in each one, a man's lunchbucket, and no makeup or jewelry. The boys were attired in unmatched boots, hose and socks, ladies' skirts inside out and upside down, bare midriff, ladies' hats, a burlap sack, and all the makeup and jewelry they could get on. But that night our injured pride was soothed when we won a 14-0 victory over the Jeffs.

Soon after freshman customs the election of class officers was held. The successful candidates were: President, Thomas Buday; Vice President, Thomas Kaprive; Secretary, Jack Tuckish; Treasurer, Jerome Urda. We felt the officers elected would perform their duties to the best of their abilities.

We now feel that we have a good start, and, as we look at the Senior Class, we only hope that after three more years of work we will have accomplished as much as honorably as they.

THE MIKE STAFF

At any school there are certain events happening day in and day out. These events are news. Thus, we have the reason for the Mike and its staff—to produce our school newspaper. Included in this publication are articles dealing with class incidents, jokes, sports happenings, cartoons, and many other interesting features.

To become a member of the staff a student must be dependable and capable in handling assignments and have the time and ability to fill the position he seeks. The membership this year was 27.

The editor for this school year was Helen Bodnar, who successfully supervised the publication of six issues. According to custom E. Richter, assistant editor, supervised the last edition.

Miss Ersagovich, Mrs. Christopher, and Mr. Cambier are the staff's sponsors and help the students in editing the Mike. Miss Leona Nickler, school secretary, also aids much in the publishing of the Mike, since she does all the running off of the copies on the mimeograph machine.

The school newspaper gives valuable service to the school because it gives experience to students who are interested in journalism and art, keeps the student body informed of the news, and serves as a wonderful motivator of school spirit.

THE STUDENT COUNCIL

The Student Council is an activity that enables the students, through representatives, to take an active part in the student government. This year the council planned and carried out, a very successful Freshmen customs program, our annual football celebration, and the elections of the class officers. The council has also presented several assembly programs, including the awarding of gold footballs to the lettermen of the football squad.

Positions on the student council are obtained by student elections, one student representative from each homeroom—except the senior homerooms which send two members each. We had fifteen students making up the council for this school term. The student body then voted for the officers, which resulted in the election of, John Fetsko, president; Fred Novak, vice president; Janet Palone, secretary. These three, together with Mr. William H. Hartley, head the council.

Since the students belonging to the council must have the many qualities of an able leader, it is an honor for them to be chosen to represent their homeroom.

This organization teaches the students of Cumberland many of the democratic principles of government in the United States. It is therefore important, inasmuch as it provides a basis for the political portion of the world which we must some day play a part.

NATIONAL HONOR SOCIETY

The National Honor Society, one of our scholastic achievement clubs, has been active since 1938 and is sponsored by Mr. J. William Kerr.

The purpose of this club is to promote scholarship, leadership, and service.

Each year according to the club's constitution 15% of the junior class are eligible for membership. If the list exceeds 15%, the faculty selects the students, considering such things as character, service, leadership, personality, etc. The total membership this year is fourteen. The officers for this school term are: Peggy Davidson, president; Lucille Zoldos, secretary; Dorothy Brewer, treasurer.

Projects planned for this year included an induction for new members, two sweater hops, and an educational trip.

This club is one of our school's most important clubs because it helps to promote scholarship, one of the great aims of any school.

THE BAND

Since 1946 the Band has been under the directorship of Mr. D. Herbert Franks. The main purpose of the organization is to help the student perfect his skill along instrumental lines and to give him a better appreciation of music. The requirements to become a band member are preparation, testing, and a tryout. The band consists of eighty-two members—sixty-two playing pieces and twenty majorettes.

During the past year the band has completed many projects: performances at half-time of football games, marching in community parades, and its annual concert. This spring awards were made to outstanding members.

The band is important to our school for it increases student appreciation and understanding of music, and acts as a good-will ambassador or strong competitor to our rival schools. It is truly an organization of which each member of the student body can be proud.

SCIENCE CLUB

The Science Club was formed in 1948 to promote scientific attitudes among its membership and as an aid to contestants in preparation for the Scientific Recognition Contests. It has been active since its organization under Mr. B. H. Crago's sponsorship.

To belong to the Science Club a student must take at least one science course besides General Science, and his name must be brought before the club by a member in good standing. There were 27 members in the club this school term and the officers of the club were: Gordon Crago, president; Connie Hoover, vice president; Betty Urchak, secretary; Bill Novak, treasurer.

The members of the club made slides to be used with their microscopes and participated in the Waynesburg College Science Recognition Contests. They would like to build up a scientific museum for the school, have a flower garden, and take excursions to points of scientific interest.

This group is an integral part of our school life; not only because the entire student body will benefit from its planned projects, but also because its members obtain honors for the school and tends to develop interest as well as profitable use of its members free time.

SCHOLASTIC CLUB

Scholastic contests can be found every day and everywhere. The purpose of the Scholastic Club is to raise scholastic standards within the school and to give recognition to those who participate in scholastic competition. It is sponsored by Mr. B. H. Crago.

There is only one way by which membership may be obtained and that is by being a participant in a scholastic contest in which the school of competes. The total membership of this club is 20 and the officers are: Dwight Willis, president; Joe Cybak, vice president; and Patty Popson, secretary-treasurer.

In order to belong to the Scholastic Club a student must have a good record in the particular class which he wishes to compete for higher recognition. Therefore, since it is quite an honor to be a member of the Scholastic Club, this organization promotes interest and activity in the classwork of all the students who wish to join this circle of scholars.

JUNIOR CLASSICAL LEAGUE

The Junior Classical League was originated in 1946 and has been active from that time until the present year under the sponsorship of Miss Frances M. Goodwin. The most important purpose of the club is to further interest in the Latin language and the classics.

At the end of their first year of Latin, students who show the most interest in that subject are taken into the club. The officers for this school term are: Peggy Davidson, president; Maurice Black, vice president; Janet Collins, secretary; Dwane Willis, treasurer.

For the past few years, the Latin Club, as it is frequently called, has made an annual visit to Pittsburgh's Buhl Planetarium. Another such trip was planned for this year. Other activities this club engaged in were the presentation of an assembly program and the sponsorship of a sweater hop.

The club is important to our school for it forms a great link between our students and the academic world in which many of them will someday play a great part.

THE AMERICAN HISTORY CLUB

The American History Club was organized in our school in 1946 for these purposes:

1. To acquire and practice democratic attitude resulting in better citizenship.
2. To acquire a better understanding of American life.
3. To acquire a knowledge of local, state, and national history.
4. To acquire an attitude of historical research.
5. To make history real; make the past live again.

Membership in this club is obtained by a democratic attitude, approval of active members, and a B average in American History. The membership of this club is limited to forty members, twenty of which are admitted each year at the end of the first nine weeks period. The officers for this school term are: Helen Bodnar, president; Mary Ann Ru-

Projects planned for this year included assembly programs, field trips to a session of court and the Greene County Historical Museum.

The American History Club is a member of a state wide and state sponsored federation of history clubs known as the P. F. J. H. or Pennsylvania Federation of Junior Historians. The sponsor, Mr. Felix Palone, Jr., is a committee member of the Junior Historian Advisory Council for the Southwestern Region.

The club is important to our school for it forms one of the great links between our local, state and national history and the students.

THE LIBRARY COUNCIL (Service Club)

The Library Council is a group of students who work together to make the library a place for good reading and research, keep the book shelves in order, meet requests of teachers and pupils, train in leadership and willing service, learn by doing, and foster democratic actions as provided in the constitution.

One of their most important projects, which has been completed, was the organizing of a Probationary Council. The members of this council work one period weekly for a full year before applying for full membership. They must be able to present letters of recommendation from the sponsor, who is Mrs. B. H. Crago, and one other teacher at that time. The regular Library Council then votes on the application of that student. Another important project, they have begun the organization of a new pamphlet and file catalogue.

There are fourteen members of the regular Service Club this year; and the officers, who were elected at the beginning of the school year, are: President, Dorothy Brewer; Vice President, Stella Ward; Secretary, Jeanne McLaughlin; Treasurer, Lou Cinda Butler.

This club is one of our finest because it provides an opportunity for a closer relationship between the library and the student body.

THE COMMERCIAL CLUB

The Commercial Club, one of our youngest organizations, was started this year by Mr. Cambier. The principle aims of this club are:

1. To promote a closer association between the members in both a business and a social manner.
2. To create and develop an interest in business and the education for business.
3. To encourage leadership and initiative among the members.
4. To bring about a closer relationship between local business and the organization.
5. To render service to the school, business, and community.

Membership in this club is obtained in either of two ways:

Each year, immediately after the first nine-weeks grading period, full-time junior and senior commercial students having an average of "B" or higher in all their commercial subjects shall be invited to membership. Any students meeting the requirements during the school year gain membership by making application directly to the secretary of the club.

Associate members: Each regular member shall have the right to invite one full-time junior or senior commercial student to become an associate member. The number of associates, however shall at all times be limited to 50% of the regular membership. There shall be no scholastic requirement for associate membership. Total membership this year is 12 regular and 6 associate members. Subject to addition.

Both memberships shall be by invitation. Officers of the new club are Lucille Zoldos, president; Dorothy Haver, vice-president; Anna Kasinec, secretary; Mary Brody, treasurer. Projects completed for the year were: making of Christmas cards, learning to operate some business machines, learning to play bridge, visiting offices and other places of business, listening to businessmen speak, typing and shorthand contests, visiting business schools, and awarding prizes to the best business students.

This club is for those students interested in becoming successful businessmen and women, as you may well acknowledge by its title.

HOME ECONOMICS CLUB

The Home Economics Club was organized in 1949 and has been active since that time under Mrs. M. Gdovka's sponsorship. The aims of the club are:

1. To promote interest in Home Economics.
2. To develop worthwhile leisure time activities.
3. To co-ordinate home life activities with school functions.

Students who successfully completed one and a half years of Home Economics' classwork are eligible for membership in this club. The officers for 1949 were: Pauline Shefcheck, president; Virginia Johnson, vice president; Veronica Demchak, secretary; Isabella O'Laughlin, treasurer. The total membership is 35. The club works as part of the national organization, Future Home Makers of America.

This organization's contribution to our school life is the opportunity it presents to our students interested in domestic science to co-ordinate it with school activities.

JUNIOR RED CROSS CLUB

Everyone knows that anything connected with the words Red Cross would surely have a worthy purpose. So it is true with this club. It has seen only one year of activity, but during that time the members packed gift boxes and sent them to children overseas.

The club is working toward these aims:

1. To extend all facilities of the Junior Red Cross to students of Cumberland.

2. To work with the local chapter of the National Red Cross.

Any student interested in working with the club and who is willing to attend meetings at least once every two weeks may apply for membership. However, each applicant must serve a probationary period of one year before becoming a full-fledged member, eligible for a pin. The club, made up of thirty members, is under the sponsorship of Miss Louise Wilson. The officers of the club are: President, Dorothy McFarlane; Vice President, Dorothy Luxner; Secretary, Loretta McCann; Treasurer, Rose McCann.

It is through an organization such as this that people learn goodwill toward mankind and this brings peace on earth to future generations.

THE ART CLUB

The Art Club was started on November 15, 1949 to promote interest in creative art.

Once a year vacancies are filled by any student who is willing to work and is approved by the club sponsor, Mrs. Evalyn Hartley. The club has a membership of 50 and during no time of the year will the number exceed this limit.

The officers for this school term are: Frank Yalowsky, president; Robert A. Cutler, vice-president; John Bankovich, secretary; Paul Lagoda, treasurer.

Among its activities you will find work in water color, oil, charcoal, pastel, ink, and pencil. Throughout the year appropriate posters created by the club members were displayed on the main bulletin board.

The Art Club is a great step forward in our activity schedule for it gives to our artistically inclined students an opportunity to improve their technique, and the entire school has benefited from their decorative displays.

THE FUTURE CRAFTSMEN OF AMERICA

The F. C. A., a club for industrial arts students, has been active since 1938. The three most important purposes of the club are:

To keep all members informed of latest developments in woodworkings, electrical codes, and sheet metal production; to teach students to co-operate and to become good citizens; to help senior members chose a vocation and to provide vocational openings.

To qualify for membership a student must have a high scholastic rating in shop and a good attitude toward his instructor. He must then be voted into the club by two-thirds of the 28 members. There are usually about 8 taken in each year. The officers for this school term were: President, John Fetsko; Vice-President, Frank Novak; Secretary-Treasurer, Walter Hathaway.

Among the projects planned for this year were tours to the Ohio pottery factories, to Wheeling, W. Va., and to the Pa. Farm Show at Harrisburg. The seniors visited the Vale Technical Institute in Blairsville, Pa. Members were accompanied on these trips by Mr. George B. Vail, club sponsor.

The club is important to our school because it forms a link between qualified shop students and the industrial part of the business world in which they are interested.

PHOTOGRAPHY CLUB

The world today is one of beauty, beauty which can be captured by photographs. This thought motivated the formation of the Photography Club with these requirements in mind:

1. To stimulate a general interest in photography.
2. To furnish members with knowledge of how to take and make good pictures.
3. To provide facilities through which members can "learn by doing."

The club was organized in 1947 and has been under the sponsorship of Mr. Frank J. Gavlak since that time. During that period the club acquired a dark room, purchased a contact printer, dryer, and basic darkroom equipment, and supplies, and installed a developing unit. The three most important projects were:

I. To provide an organized course in "Basic Photography."

II. To raise funds to purchase an enlarger.

III. To install a display case for exhibition of pictures made by members.

Membership is acquired by application and the ballot approval of members. The club is limited to thirty members a year. The club's officers are: Maurice Black, President; George Zubal, Vice President, Mary Ainsley, Secretary; Josephine Prebonich, Treasurer.

This club should be especially helpful to all students interested in photography because its activities may lead to a profitable profession or a stimulating hobby.

VARSITY "C" CLUB

The Varsity "C" Club, whose membership was made up of twenty-three boys this year, has been organized since 1935 and is under the sponsorship of Mr. Cree. This club's most important aim is to promote interest in athletics within our school.

There are various ways that a student can obtain membership:

(1) By playing more than one half of the quarters during football or basketball season;

(2) By playing more than one half the number of innings in baseball, except for the pitchers, who are only required to play more than one-third of the number of innings;

(3) By scoring points in track meets, depending on the type of meet the participant plays in.

The officers for this school term were: George Zubal, president; Angelo Valli, vice president; and Ernie Krutko, secretary-treasurer.

The members of the club are provided with opportunities to visit college and professional athletic activities. Throughout the year, discussions of rules take up the major portion of the club's meetings.

The Varsity "C's" all important contribution to school life is to serve as a goal to our athletes—for only through excelling in his sport can an athlete become a member of this select group. With such a goal in view the boys work harder and consequently are a source of pride to the entire student body.

GIRL'S "C" CLUB

The Girl's "C" Club holds the honor of being one of the oldest clubs, since it has been active for at least eighteen years. This club's aims are to develop good sportsmanship, expert leadership, the art of being a loyal follower and to improve the work in gym classes. A very active organization, the club sponsored gym programs to show the many activities the girls learn in gym classes. They took educational trips, accompanied by their sponsor, Miss Harriette Baily, and supervised noon activities, sweater hops, and skating parties.

It is no easy task to get into the club; although it is one of the most active clubs in school; and, it is an honor to belong. Any girl applying for membership must earn 1,000 points which are obtained through good sportsmanship, attitudes toward schoolmates and faculty, and many other essential qualities having to do with school spirit and merit. This year the club has 27 members and will lose 19 of them by graduation. The officers were: President, Isabelle O'Laughlin; Vice President, Pauline Shefcheck; Secretary, Veronica Durco; Treasurer, Dolores Drost.

All seniors who get into the club by the middle of their senior year receive sweaters at half-price. All members receive pins and letters.

The value of this club in our school life is easily recognized by its important aims. For what greater aim has education than to prepare students for life, and what better preparation is there for life than the developed qualities of sportsmanship, leadership, and loyalty.

CHEERLEADERS

School spirit is a great asset in any school. The cheerleaders have helped our school in achieving good school spirit through their leading of unified cheering at all athletic competitions in which Cumberland takes part.

The squad was led this year by Jeanne McLaughlin, captain, and Miss Harriette Baily, sponsor. There are seven girls on the main squad and four on the junior squad. Each year volunteers are chosen to be on the squad by the main cheerleaders and a group of teachers.

This particular group of students is one of our most active organizations. They travel far and wide to give athletic organizations the backing that they need and expect in order to carry on for Cumberland.

FOOTBALL

Capturing the Greene County's mythical championship for the fourth time in that many years, the Mikes established a new record for the county.

Having gone undefeated and untied the previous year, Coach Al Cree knew he had a job on his hands if he came up to the expectations of the people.

With but two veterans from last year's great team, Steve Korcheck and Edward Schifko, Coach Cree began molding his eleven. On the fifth day of practice the team suffered a severe setback when the veteran star center, Steve Korcheck, suffered a broken leg. This injury kept him out of the lineup for the remainder of the season. On the eve before the first game Mr. Cree was stricken with virus pneumonia. Mr. Cusimano, the assistant coach, was forced to take over for the first three games and did a very capable job.

Mapletown and East Bethlehem were the first two games. Cumberland humbled these teams to 34-6 and 32-0 score. The lone six points scored by Mapletown was against the third string in the closing minutes of the game.

Coach Gene Franks brought over a strong eleven all keyed up after victories over North Union and South Union. Masontown, always a Class "B" power, was the biggest team the Mikes faced all season. Being outweighed from twenty-five to thirty pounds per man the Mikes played a brilliant defensive game, and Coach Franks was lucky to return to Masontown with a 6-6 tie, thanks to a decision against the Mikes which robbed them of the extra point and a 7-6 win. Incidentally, Masontown went undefeated the remainder of the season and had only six more points scored against them.

Elizabeth was perhaps the roughest game of the season. Playing on a new field with a surface of dust, gravel, and baked clay, the Mikes were forced to be satisfied with a 0-0 tie. Four times during this game the Mikes defense stood firm after the opposition had a first and ten inside Cumberland's own ten yard line.

East McKeesport caught the badly worn Mikes the following week and ended Cumberland's series of twenty-one games without a loss. The Mikes fought hard and valiantly, but the superior speed of the visitors along with the injuries suffered in the previous game gave a 13-7 win to the opposition.

Jefferson, Cumberland's ancient rival, had the misfortune to play the Mikes next. The Mikes won by a 14-0 score.

In perhaps as thrilling a finish as you could see anywhere, the Mikes captured the county championship by defeating Waynesburg 6-0. Waynesburg, having one of its best season in recent years, was a heavy favorite before the game. After tense scoreless quarters, the Mikes tallied on the last play of the game to emerge the victor. There were several other scoring threats against Waynesburg, but Lady Luck stuck by the Bonifield men and repelled the threats until the last when the power of the Cree machine finally crumpled the Waynesburg eleven.

Brownsville was perhaps the best team we faced. Using nearly all straight power plays the Brownies squeezed out a 14-6 triumph over the smaller hard fighting boys of Cumberland.

Point Marion, boasting a so so season, played their best game of the year against the Mikes. Fighting all the way the scrappy Point Marion eleven was finally defeated 2-0 in the final quarter of the contest with an automatic safety.

Thus, the curtain came down on a good football season and another great Cumberland eleven.

With only S. Korcheck returning from last year's great team, few expected the Mikes to go through their schedule winning half of their games. But under the able guidance of their coach, Mr. Cree, they showed the fans the kind of ball they were capable of playing. Facing a twenty-one game schedule, they lost but six games—Donora, Waynesburg, Brownsville, Masontown, and two to California.

The Mikes swept through the Section, 21 race losing only to Masontown. Tied with Masontown down to the final game, the Mikes practically wiped them off the floor by a score of 63-35—thus, winning the sectional toga for the fourth straight year. The Mikes dominated Section 21 by placing S. Korcheck, E. Krutko, and F. Novak on the first team.

The Mikes now entered the W.P.I.A.L. eliminations by playing Vernon on the Donora Court. Losing 21-17 at the end of the first half, the Mikes proved their class by overtaking Vernon and finishing on the long end of a 45-38 count.

Now eligible to meet East Washington in the second round of the eliminations which was also played at Donora, the Mikes returned home victorious by beating East Washington 56-48 in a game which saw the Mikes leading from the starting whistle throughout the entire game.

The Mikes now met Irwin in the semi-final round at the spacious McKeesport Vocational court. Irwin, entering the contest with a 37 game winning streak jumped to an early lead, and despite a last quarter bid for victory by the Mikes, walked off the floor with a 46-35 decision, thus ending another outstanding season for the Mikes.

BASEBALL — 1949

With only three veterans, F. Novak, S. Korcheck, and M. Korcheck back from the 1948 championship team, Al Cree put together a well-balanced ball club which finished second in the sectional race with 8 wins and 2 losses. Both losses were to the strong Jefferson nine who took the sectional crown. Cree lost only four boys from this varsity nine and will have five boys to build the 1950 team around. The graduates were Korcheck, Koroly, Nichols, and Cibon. Batting honors for the season went to Tony Cequeira with a 576 mark. Cihon and Korcheck were second and third with 563 and 543 respectively.

One member of the team, M. Korcheck, continued his baseball career after graduation by joining a Class "C" ball club in Georgia.
